**Academic Programs Available for the Exchange Program:**

**Master of Science in Finance (MSc-Finance)**

<http://www.uai.cl/postgrados-y-diplomas/master-of-science/escuela-de-negocios/master-of-science-in-finance>

**Description**

This full-time program offers a rigorous high-level formation together with the clear applied orientation that characterizes our educational approach. Due to its full-time schedule feature dedication should be exclusive, therefore it is meant to graduates of Business Administration or Industrial Civil Engineering aiming to supplement its formation with a specialization in finance.

**Master of Science in Marketing (MSc-MKT)**

<http://www.uai.cl/postgrados-y-diplomas/master-of-science/escuela-de-negocios/master-of-science-in-marketing>

**Description**

The Master of Marketing is designed to deliver an updated knowledge level in the area of Marketing through the teaching of concepts, models, methods and techniques for the decision making. Immersed within a high academic demanding environment and with a strong practical orientation, the Master in Marketing is dedicated precisely to teach contemporary and emerging marketing strategies as well as offering ways to equip participants with the best preparation to compete effectively in national and global markets.

**Master of Science in Management Science (MSc-MGT)**

<http://www.uai.cl/postgrados-y-diplomas/master-of-science/escuela-de-negocios/master-of-science-in-management-science>

**Description**

The Master in Management Science, offered by the Business School in conjunction with the Faculty of Engineering and Science of Universidad Adolfo Ibáñez is a rigorous program designed to respond to the needs of identifying, analyzing and implementing modern management-based solutions. It includes elements of strategy, organization theory, human behavior, marketing and operations, plus the ability to delve into different topics with quantitative and analytical elements.

**Master of Science in Innovation and Entrepreneurship (MSc-MIE)**

<https://negocios.uai.cl/master-of-science/master-of-science-innovacion-emprendimiento/>

MIE is a master program in innovation and entrepreneurship. It welcomes students from all backgrounds who are interested in these fields. This program prepares its students to work in innovation and entrepreneurship in existing organizations (corporate, NGOs, government and private) and newly created organizations (startups founded by the students). During the year the program lasts students engage in developing a startup with their classmates, each class will contribute to provide the team with the skills and tools needed to accomplish this goal. Our experiential method combines hard knowledge with soft skills, both required to approach suppliers, customers and investors as part of the company building process.

**Master in Economics and Public Affairs (MEPP)**

<http://www.uai.cl/postgrados-y-diplomas/master/escuela-de-gobierno/magister-en-economia-y-politicas-publicas>

MEPP program is aimed to students with formation in economics who seek to strengthen their understanding of economic, social and political phenomena. This training will contribute to an excellent performance of our graduates in both the corporate and public sectors. This program is being designed to pursue the Ph.D.

**CEMS**

This restrictive program offers two elective courses for the exchange program. These two courses are taught in English: *Global Supply Chain Management* and *Strategic Corporate Governance*

<b>Application Requirements:</b>	To apply to MSc exchange programs, a student should currently be enrolled in a Master of Science at a university the UAI has in-force exchange program agreement with. Applicants should be nominated by their institutions. Direct applications are disregarded. MSc-Finance, Marketing and Management require prerequisite courses to apply. Application to MEPP is subject to submission and requires prerequisites. Find the academic curriculum and courses in the <i>Guidelines-to- Apply</i> document.
<b>Application documents required:</b>	<ul style="list-style-type: none"> <li>* Student's Application Form filled out</li> <li>* Curriculum Vitae</li> <li>* A recent transcript, issued by the applicant's university, Spanish or English</li> <li>* A language proficiency proof (certificate from the home institution language office indicating level, or from a CEFR ( B2/C1 level)</li> <li>* 2 passport-size photos</li> <li>*A copy of a health insurance policy covering health and accidents during their stay in Chile.</li> </ul> <p>The original documents must be sent <i>by the applicant's University Exchange Official or Coordinator</i> to the address indicated in the Student's Application Form.</p>
<b>Tuition Fee:</b>	Tuition fee is waived for exchange students during their exchange period at UAI but they are required to pay their living expenses, transportation, visa and health insurance for their exchange academic period at UAI.
<b>Academic Year</b>	2019 Academic Year runs from March 11, 2019 to December 13, 2019
<b>Courses:</b>	<p>According to the program requirements, the courses selected and indicated in the Student's Application Form will have to be approved by the Programs' academic committees. Applicants that wish to enroll courses other than their academic fields must show proof to demonstrate that they comply with the courses' prerequisites. Application to MEPP and Mgt. are subject to submission and require prerequisites.</p> <p>The Master's course listings are displayed in the <i>Guidelines to Apply to MSc</i>. Courses may be subject to eventual changes.</p>
